**ORDER FORM**

**Contents**

**Avenue Coking Plant**

*by David Jenkins*

An account which throws light on previously unpublished details of the early planning stages, the phases of construction, the plant's productive life and the ultimate closure of this, Europe's largest coal coking plant when it was completed.

**Photographs taken during construction of Avenue**

A historic record shown through photographs taken during the construction of the plant

**The Adshead Report 1927**

*by Derek Grindell*

Complementing the coal/coking theme, a summary of the 1927 *Adshead Report* which reviewed the mining industry within Chesterfield and North East Derbyshire, combined with information on local industry listed in the *Commercial Chesterfield* directory of 1931.

**Amber Mill**

*by Richard Patilla*

The history of one of the area's larger cotton mills, the Amber Mill, which was established in the late 18<sup>th</sup> C just a few miles away from the Arkwright's mills at Cromford.

**400 Years of Robinsons**

*by John Robinson*

A concise record of the four decades of industrial endeavour by many generations of the Robinson family, whose business became at one time one of the largest single employers in Chesterfield

**Cost each: £9.50 including p/p ( £8 excluding p/p ).**
